

Butcher Shop

How would you like to get some great deals on high quality meat and seafood from our purveyors? Take advantage of this opportunity to stock your freezer or plan to split an order with a neighbor or friend to limit trips to the supermarket.

We will only order exactly what you ask for. There will be no add-ons available at pick up. Nothing has been sitting in our refrigerators or freezers, we are trying to help our purveyors distribute their excellent products straight to the consumers, as they have lost so much business from shuttered restaurants.

Pre-order until Thursday at Noon by sending your selections and preferred pickup time (Friday or Saturday between 2 and 5 pm) to orders@asculinaryconcepts.com. Questions? Call us at 678.336.9196.

We will invoice you Thursday and you can safely pay online. Pick up will be Friday or Saturday between 2:00 and 5:00 PM. We have contact-less, safe, gloved and masked curbside delivery.
